# LADYGEM T1003

*The LadyGem is a revolutionary new device that combines state-of-the-art technology with the healing properties of crystals to create a unique therapy for a range of feminine issues that are known to be uncomfortable, troublesome or simply inconvenient. The LadyGem is a compact, easy-to-use solution that will help you to recapture the woman within.*

## A FUSION OF MODERN SCIENCE AND HEALING CRYSTALS

The LadyGem is a unique device that has already helped thousands of women rediscover their sensuality.

Using a ground-breaking fusion of modern science and healing crystals, the LadyGem helps to eliminate feminine problems that are familiar to women of all ages. From mood swings and low libido to hot flushes, stomach cramps and dryness, the solution you have been searching for has finally arrived.

The device is compact, portable and handheld—there are no wires or bulky equipment to affect or interrupt your relaxation. And best of all, it's so easy to use—simply place the device next to your skin and with one press of a single button, the LadyGem will release soothing energy straight over the womb area.

## SIMPLE YET EFFECTIVE

Using the science of fusion technology, the LadyGem combines full-spectrum incoherent light, electromagnetic field, colour and white noise technologies, successfully developing a sensual solution for women all over the world. By applying this to a unique blend of ancient crystals, we have finally found a way for women to regain their strength and find themselves once again.

# TIGERGEM T1004

*There are a variety of external factors that can affect a man's libido. Stress, fatigue or personal problems are all very common, needing simple solutions. That's where the TigerGem comes in. During and after just one session, you'll begin to see a difference, not only to your libido, but to your stamina, size, potency and even firmness.*

## STIMULATE BLOOD FLOW AND RELIEVE TENSION

Using a unique combination of modern-day technologies and the healing properties of crystals, TigerGem helps you to relax and quickly moves your blood flow to where it counts for those important, romantic moments.

Our unique gem blend is comprised of four crystals that work together to enhance the experience for you and your partner. Ruby & Carnelian stimulates the blood flow, Red Jasper prolongs your arousal and pleasure, Smokey Quartz helps to ease any outstanding tension and stress, and Diamond strengthens and enhances the entire formula, bringing it all together.

Using the TigerGem couldn't be easier! Simply place it directly onto your skin near the desired area and with the press of a single button, activate one of the TigerGem's therapeutic sessions. In as little as 20 minutes you will feel the difference to more than just your body; get ready to discover the new you emotionally, physically, mentally and spiritually.

I am a twenty three year old male from the United states. I was first introduced to the TigerGem earlier this year in April 2010.

After just a few sessions of using the system I felt the sudden urge to urinate. It was in that process that I realized that I had never fully experienced this physiological process with such ease and comfort. It was for the first time and from then on I continue to have full releases that before I never did!
